Dear colleague,

### EYFS WELFARE AUDIT

As you are aware, the Birth to Five Service has taken on a new team to support EY Providers with the delivery of the EYFS welfare requirements. The team will work across district council areas providing support and advice to settings alongside the existing area teams of Curriculum Advisers and Early Years Advisory Teachers. The team will work in the following areas;

- West Lindsey and East Lindsey – Jodie Stevenson and Bev Barker
- Lincoln, North Kesteven and Boston – Sam Waite and Julia Merivale
- South Holland and South Kesteven – Geraldine O'Neill and Mel Coggan

Jill Brewster will lead the team. Should you wish any advice or support, please contact Jill on 01522 587570 or 07747 766675.

Over the next few weeks, the team will be visiting every setting to undertake an audit of setting information linked to the welfare requirements. A member of the team will be in contact with you to book an appointment during the next few days.

Should you wish any further information relating to the visit, please contact either Jill or the Lead Adviser for your district council on 01522 587570:

Angela Fleming (East Lindsey and West Lindsey)  
Claire Logan (Boston, North Kesteven and Lincoln)  
Zoë Cox (South Kesteven and South Holland)

Yours sincerely

*Stephanie Douglas.*
