Dear Colleague

**CONTINUING THE LEARNING JOURNEY FROM EYFS TO KS1**

The Birth to Five Service would like to invite one Y1 teacher from your school to attend the above course.

The aim of the course is to provide Year One teachers with guidance on the effective use of EYFSP data to support children's learning in Year One. The course will be fully funded and £170.00 will be allocated to your school budget during the Summer term to provide supply cover for practitioners attending the course.

During the course participants will have the opportunity to explore the factors which contribute to effective transition from Foundation Stage to Key Stage One. Emphasis will be placed on understanding how Early Years Foundation Stage Profile data can be used to inform and support Year One provision. Throughout the course participants will be given opportunities to reflect on how their developing understanding can be put into practice in their own settings.

**Please bring with you a copy of the EYFSP Profile Handbook and an overview of the EYFSP data for your school.**

To book a place on this course please select your venue from the list below, complete the attached faxback and return by 1<sup>st</sup> May 2009 to Selina Falgate, Birth to Five Service, The Old School, Lamb Gardens, St Giles, Lincoln, LN2 4EG.

Yours sincerely

*Stephanie Douglas.*
