Dear Headteacher

Early Years Foundation Stage Network Meeting – Raising Boys' Achievement

The Birth to Five Service will be holding a network meeting each term. Details of the network will be sent directly to the school and also posted on the Birth to Five Service website www.birthtofive.org.uk.

This term the Birth to Five Service would like to invite the Lead EYFS Practitioner to attend a shared EYFS Network meeting for schools and settings. This half-day session will focus on raising boys' achievement which is both a national and local priority. The network will offer practitioners the opportunity to discuss and reflect on their provision and share expertise with colleagues.

You are invited to attend on one of the following dates and refreshments will be available 15 minutes before each session starts.
